November 10, 2008

May the grace and peace of our Lord be with you! We are delighted that you are coming to the 7th Annual Houston regional conference: *"Holy Eucharist, Holy Mass: Real Presence, Real Power...the Ultimate Thanksgiving Feast,"* to be held at the Humble Civic Center this November 15th and 16th.

We would, however, like to inform you of several changes we have sadly been forced to make. Given the state of our economy, the recovery from Hurricane Ike, and the distraction of the past election, most parishes have struggled to promote, as in years past, this wonderful faith building conference. We predicted this would be the case before launching our promotional efforts, but we decided to step out in faith to reach as many souls as possible, despite the financial risks. Therefore, to limit our financial exposure given pre-registration sluggishness, we have canceled the "Meet the Speaker" benefit dinner as well as Fr. Stan Fortuna's participation, however, we will still have "The Glory Estate" featured as our Youth Concert. Further more, we have canceled Shawn Carney and Doug Barry (RADIX) on a scaled back second stage geared for youth. Eric Genuis will still be present, though, and in concert.

We apologize for the mutual disappointment this has caused and thank you for your continued support of Fullness of Truth™ Catholic Evangelization Ministries, as we look forward to seeing you November 15th and 16th at the Humble Civic Center.

May the Lord continue to bless you.
